Profile

As a recent graduate of a web development bootcamp, I am excited to bring my passion for problem-solving and coding to the table. With a strong foundation in HTML, CSS, and Ruby on Rails, I am ready to tackle new challenges and continue learning in the field. I am a self-starter who is eager to apply my skills to real-world projects and make a positive impact. I look forward to the opportunity to work with a team and contribute to the success of your company.
